**Building the digital enterprise**

Nixel architects and delivers Enterprise Solutions for corporations that see information technology, knowledge and automation as being key drivers of growth and competitiveness. Founded in 1991 and headquartered at Mumbai, Nixel has been a committed partner for many corporations in India, the United States and Europe including Air India, Asea Brown Boveri, Associated Cement Companies, BEC Group, Bharat Petroleum, Essar Group, Godrej & Boyce, Hindustan Construction, Indian Oil, Kotak Mahindra, Larsen & Toubro, Novartis, Reliance Industries, Siemens, Toyo Engineering and Uhde India. Fired by a missionary zeal to build digital infrastructure and systems for enterprises, Nixel has helped customers improve productivity, quality and competitive advantage and transform themselves into globally connected organizations.

**Quality**  
on  
**time**

**Quality on Time**

Quality on Time is a unique methodology that we've created that helps us deliver and deploy sophisticated software within demanding schedules. A structured process that extends from the initial interactions with customers all the way through to deployment, training & support, the Nixel methodology assures quality and performance consistently.

**A great team to work with**

A team of technology architects, application specialists, project managers, developers and quality engineers, the Nixel team is innovating and researching all the time, staying abreast of global developments and ensuring sophisticated tools and methods are used in the design and development of the software.

**24 x 7 x 52**

Nixel is never out of range for our customers and well-wishers. From relationship managers to project managers through multiple interfaces including a strong web front office, Nixel ensures that you have all the expertise, know-how, software, drivers and information that you need, to use our solutions and enhance your organizational productivity, quality and competitive advantage.
